Resell CNC Auctions to Auction Machinery & Equipment from Northern Ohio Job Shop

Maitland, FL, January 27, 2020 – Resell CNC Auctions announced today the sale of CNC machinery, plant support equipment, tooling, and additional assets from Coit Tool Company.

Coit Tool Company is a local job shop located in Willoughby, OH which offered general manufacturing services including milling services, laser cutting, water jet cutting services, and more for various metals and materials. This sale is an opportunity to purchase late model, low use CNC machine tools, plant support equipment, tooling, and more.

The equipment is located in Willoughby, Ohio and includes (2) Haas VF Vertical Mills, (6) Haas CNC Lathes, Jet EL Lathes, Toyota forklift, raw material, various tooling, and more.

Individuals can bid online beginning February 3rd, until the auction closes on February 11, 2020. Complete details about the auction and lot catalog are available at <https://auction.resellcnc.com>. Interested parties can contact Jill Ramsaur at jill@resellcnc.com or +1 844.478.8181 for more information on the equipment and sales process.

Resell CNC is proud to present used CNC machinery auctions and liquidations through our Resell CNC Auctions platform.
